

# Indiana HOUSE DEMOCRATIC CAUCUS

**Date: August 14, 2018**

**Bill Soards  
240 North Meridian St.  
Indianapolis, In.  
46204**

**Dear Mr. Soards,**

**We write today in support and solidarity of the Communications Workers of America (CWA) D4.**

**Approximately 1,400 Indiana workers have been working without a contract since April 14, 2018. CWA Midwest and Legacy T workers want a fair contract that addresses employment security, jobs of the future and return of offshored or outsourced work.**

**In a November 8<sup>th</sup> press release, AT&T CEO Randall Stephenson stated that AT&T would commit to investing an additional \$1 billion in the US should the tax bill in question be signed into law. He further stated that analysis suggested that such investment would result in the creation of 7,000 additional jobs.**

**It is our understanding that just weeks after the tax bill passed, AT&T laid off 1,500 workers. We also were advised that just this past week, another surplus was announced.**

**The collective bargaining process is designed to bring both sides together for a fair and equitable solution for both sides. We stand with the workers of Indiana and we support the CWA's demand of job security, healthcare, and return of contracted out /offshored jobs.**

**Sincerely,**

**Dr. Terry Goodin  
Indiana House Democratic Leader**
